2 Section 19827.5 of the State of California, Health and Safety Code states in part:

"A demolition permit shall not be issued by any city ... as to any building or other structure except upon receipt from the permit applicant of a copy of each written asbestos notification regarding the building that has been required to be submitted to the United States Environmental Protection Agency or to a designated state agency, or both, pursuant to Part 61 of Title 40 of the Code of Federal Regulations, or the successor to that part. The permit may be issued without the applicant submitting a copy of the written notification if the applicant declares that the notification is not applicable to the scheduled demolition project."

3 As applicant for a demolition permit in the City of Laguna Beach, I certify that: I have read the excerpt from Section 19827.5 of the Health and Safety Code provided above; the information I have provided on this form is true and correct; and I further certify the following:

On the attached _____ pages are copies of all written asbestos notifications regarding the above referenced building that are required to be submitted to the United States Environmental Protection Agency or to a designated state agency, or both, pursuant to Part 61 of Title 40 of the Code of Federal Regulations, or successor to that part.

I declare that the written asbestos notification is not applicable to the scheduled demolition project.
