Investment Report

March 2015

Honorable Mayor and Members of the City Council,

The requested monthly Investment Report follows. The investment portfolio is in conformity with California laws but not in conformity with the Investment Policy which is approved annually by the City Council. A March 2015 third party review of the holdings revealed that there were two Certificates of Deposit (CDs) with different names but the same FDIC number. The CD that was purchased with the identical FDIC number was not fully insured.

The second CD was sold at par in March 2015 with an April 2, 2015 settlement. The accrued interest was received and the investment was replaced with a higher yielding CD that was FDIC insured. The sale brought the portfolio into conformity with the Investment Policy.

The Treasurer's cash management program provides sufficient liquidity to meet expenditure requirements for the next six months.

Respectfully submitted,

A handwritten signature in blue ink that reads "Laura Parisi".

(a). The earnings allowance credit applies to funds held by Bank of America and partially offset the bank fees.

(b). At month end, there was one investment, \$245,000, that was uninsured and out of compliance with the Investment Policy. An issuer had changed the name and a second CD was purchased from the same issuer under a different name. The out of compliance investment was sold at par on April 2, 2015 to bring the portfolio back into compliance with the Investment Policy.
