The City of Laguna Beach invites you to view and provide input on the refined topic areas and strategies for updating the Downtown Specific Plan. Specific topic areas include: land use, parking, mobility, placemaking, urban design, key opportunity sites, and infrastructure.

Last fall, the community provided their visions and ideas for the Downtown through the use of interactive displays and survey tools during the exciting Plan Trolley and Pop-Up Downtown events.

This next workshop is your opportunity to see how these ideas have been refined. We encourage you to learn more about the strategies and continue to share your thoughts for the future of Downtown Laguna Beach.
