**CITY TO HOST DOWNTOWN SPECIFIC PLAN UPDATE COMMUNITY WORKSHOP
ON JULY 20, 2015**

The City of Laguna Beach and MIG consulting team will continue the public outreach phase of the Downtown Specific Plan Update Project with a community workshop on Monday, July 20, from 6:00 p.m. – 8:00 p.m., at the Laguna Beach Community and Susi Q Center (380 3rd Street).

This interactive workshop will include an overview of refined topic areas and strategies for updating the Downtown Specific Plan. Participants will be able to provide valuable input at various stations regarding topics such as: land use, parking, mobility, placemaking, urban design, key opportunity sites and infrastructure.

Last fall, the community provided their visions and ideas for the Downtown through the use of interactive displays and survey tools during the exciting Plan Trolley and Pop-Up Downtown events. This next workshop is an opportunity to see how these ideas have been refined. The community is encouraged to learn more about the strategies and continue to share their thoughts for the future of Downtown Laguna Beach.
