PUBLIC COMMENT

NEW BUSINESS

1. **2942 Terry Road** - The applicant requests Heritage Committee approval to place the structure on the City's Historic Register as a "K" rated property. The property is listed as a "K" rated structure on the City's Historic Inventory. A historic assessment has not been provided however, the historian's recent draft survey recommends that the home continue to be listed as "K" rated structure.
2. **1401 and 1391 South Coast Highway** - The applicant requests Heritage Committee review for a concept design of a "C" rated structure on the City's Historic Register. The applicant also requests that the Committee evaluate the potential to upgrade the property to a "K" rated structure on the Historic Register.
