

# FREE COMPOSTING WORKSHOPS FOR LAGUNA BEACH RESIDENTS

The City and CR&R will offer 1 – hour long composting workshops quarterly throughout the year at no cost to Laguna Beach residents.

Attendees will learn how to recycle yard and food waste into valuable organic fertilizer for the garden using simple composting practices.

## Why Compost?

Composting is a simple and natural way to turn your yard and food waste into valuable organic fertilizer for your home garden.

Food scraps and yard waste currently make up 30 percent of what Californians throw away.

Compost improves soil health, helps retain moisture, and increases nutrient content.

## COMPOST BINS

Compost bins and worm bins will be available for purchase at a discounted price.

- Earth Machine Compost Bin.....\$ 97.43

## WORKSHOP CALENDAR

Laguna Beach Community & Susi Q Center  
Art Room  
**10 AM - 11 AM**
